

The Society of Professional Women in Petroleum Derricks & Dice Casino Event 2010

SAVE THE DATE!

The SPWP Derricks & Dice Casino Event will be held April 16, 2010 at the Hotel Derek in Houston, Texas. The evening of entertainment will include a reception buffet, casino gaming, luxurious prizes, live music, and other exciting surprises.

All proceeds generated from this event will benefit the Society of Professional Women in Petroleum Scholarship Fund. Since its inception in 1981, SPWP has awarded over 356 scholarships totaling over \$641,000 to Houston Area young women. We thank you for your continued support, without which these scholarships would not have been possible. More information on how you can support this year's event will follow in early January.

Sincerely,

Kelsey Hulett
